FOREWORD

The Connecticut FAIR Plan has been established to conform to the Urban Property Protection and Reinsurance Act of 1968 and its amendments and Title 38a of the Connecticut General Statutes.

The aim of the FAIR (Fair Access to Insurance Requirements) Plan is to provide property insurance regardless of environmental conditions. The property and premises must meet reasonable underwriting standards.

Always try to get coverage with a standard insurance company where better coverage may be obtained. You should also check with your Excess and Surplus Lines broker for more appropriate coverage that may be available to the insured. The FAIR Plan should be your last resort.

PRODUCER'S AUTHORITY

The FAIR Plan has no agents, and the use of the term "Agent" does not grant any contract relationship, either real or implied, between the FAIR Plan and any individual or entity.

1. NO PRODUCER HAS THE AUTHORITY TO BIND COVERAGE IN THE FAIR PLAN, issue policies, endorsements or cancellation notices nor assign the adjustment of any loss on behalf of the FAIR Plan.
2. The Connecticut licensed producer is acting as the designated representative of the applicant or insured and not as an agent of the FAIR Plan.

HOW AND WHERE TO APPLY

NEW BUSINESS

The Application for Basic Property and Liability Insurance is ACORD 66 CT and may be filed directly by any CONNECTICUT LICENSED PRODUCER and MUST BE PROPERLY COMPLETED, SIGNED, AND DATED BY THE APPLICANT or a representative who has Power of Attorney.**

The Notice of Adverse Underwriting Decision (page 4 of the Application) must be completed on all OWNER-OCCUPIED dwellings.

A CORPORATE QUESTIONNAIRE (Form #6) must accompany an application from a company, corporation, trust or holding company, or partnership.

A VACANCY QUESTIONNAIRE (Form #7) must accompany vacant/unoccupied applications.

Upon Receipt by the FAIR Plan:

If the application is unsigned or so incomplete that we cannot begin processing, it will be returned to the producer.

If incomplete, but we are able to begin processing the application, we will follow up for the missing information. (Form #21). We must have this information before we release our quotation.

An inspection will be ordered and we have 20 days to get back to you with a quotation or a declination. Our 20 days does not begin until we have a completed and signed application.

If the risk is acceptable, a quotation will be mailed to the producer *only*. If condition charges apply, they will be listed on the quotation with a separate premium. If the conditions are corrected, notify us in writing for reinspection and possible removal of the charge. The charge can be removed any time during the policy year once the recommendations have been corrected.

Our new business quotation numbers will start with a QH or QC and the policy numbers will start with an H for habitational and C for commercial. Renewal quotations begin with QU.

The quotation is valid for 60 days from the date of issuance. Coverage will become effective upon receipt of the total annual premium in the office of the FAIR Plan. Let us know if you want coverage to become effective on a specific date after the receipt date.

If the risk is unacceptable, a Declination Notice will be mailed to the applicant and the producer. See APPEALS section.

A list of forms can be found in our FORMS INDEX. The ACORD 66 CT Application and the Vacancy and Corporate Questionnaires can now be downloaded from our Website.

NOTE: Please advise the applicant/insured that the property must be inspected and that an inspector will call to arrange for an appointment.

TELEPHONE NUMBERS OF CONTACT PEOPLE MUST BE INCLUDED ON THE APPLICATION FOR THIS PURPOSE.

REINSPECTIONS

The FAIR Plan will reinspect property when it feels it is necessary. If the condition of the property after reinspection warrants the application or elimination of condition charges, the premium will be adjusted accordingly.

If we are unable to establish contact or if the contact person does not show for the inspection appointment, we will decline, cancel or non-renew.

ADVERSE UNDERWRITING CONDITIONS

An application, binder or policy may be declined, cancelled or nonrenewed by the Plan, if any of the following conditions exist:

1. Extended vacancy or unoccupancy of the property for sixty (60) days or more, other than for renovation purposes.

3. Failure to pay real estate taxes on the property for two years or more.

11. Nonpayment of premium.
12. Where the FAIR plan has received reliable information that the property will be intentionally damaged or destroyed for the purpose of collecting the insurance proceeds.

CANCELLATIONS AND DECLINATIONS

A. Cancellations

The insured must return the original policy or complete a Lost Policy Release Form (ACORD #35).

Cancellation requests by a finance company will be processed if we have a copy of the premium finance agreement.

If the cancellation date is more than 30 days prior to the receipt of the request to cancel by the FAIR Plan, please attach pertinent documentation i.e. closing papers or proof of other coverage.

If we cancel a policy due to "insufficient funds", payment by certified check or money order is required to reinstate coverage. **There is a \$25 charge for any check returned by the bank and this must be paid with the policy premium prior to reinstatement.**

B. Declinations

The FAIR Plan will decline ineligible properties by mailing a written notice to the applicant and producer. The written notice (Form #1, 2 & 1A) will list the condition(s) which make the property ineligible and provide the applicant with the appropriate appeal provisions should the applicant or insured wish to challenge any adverse ruling or decision made by the FAIR Plan.

APPEALS

The applicant or insured may appeal any adverse ruling or decision of the FAIR Plan, by submitting an appeal in writing within 30 days of the date of the mailing of the decision to the general manager. The manager will decide the matter within fifteen (15) days of receiving the written appeal and notify the applicant or insured in writing of his or her decision.

The applicant or insured may appeal the Manager's decision to the Insurance Commissioner within thirty (30) days from the mailing of the Manager's decision.

RENEWAL POLICIES

The FAIR Plan does not automatically issue a renewal. However, to assist the insureds and producers, the FAIR Plan issues an Expiration Notification and Application for Continued Coverage form (Forms # DQ#120 or CQ#120) approximately 60 to 90 days prior to expiration.

The original is mailed to the insured and a copy to the producer. We will accept either one that is *completed and signed by the insured* when the payment is made.

We do not bill the mortgagee. The agency and the insured are responsible for notifying the mortgagee that payment is due. **

The renewal form contains coverages, renewal premiums, condition charges and ten (10) renewal questions. The signature of the insured is required.

If payment is received after the expiration date, the policy is effective the day the premium is received by the FAIR Plan.

The Expiration Notification/Renewal Quotation is valid for 60 days after the renewal expires. A new application is required after that 60-day period.

Only Total "Gross" payments are accepted.

PREMIUMS AND COMMISSIONS

A. Premium Payment

1. Payment must be received in *our office* before coverage becomes effective.
2. All checks must be made payable to the Connecticut FAIR Plan. However, we will accept a check from the insured, payable to the producer (agency) and endorsed to the Connecticut FAIR Plan.
3. Checks from premium finance companies are acceptable. We need a copy of the premium finance agreement.
4. **We require the *total* annual premium before we can issue a policy.** If we receive a partial payment, we will notify all parties that we cannot process the policy until the full premium is received.
5. We do not have a payment plan.

B. Commissions

The commission payable to the Producer of Record is ten percent (10%). Commissions will be paid monthly.

C. Return Premiums

1. The FAIR Plan will return premium checks to the Insured or lending institution in accordance with the terms of the finance agreement.
2. *Unearned commission(s) due the Connecticut FAIR Plan will be included in the monthly Commission Statements.*

D. Minimum Premiums

All policies written through the Plan shall be subject to a minimum premium as follows:

Commercial Fire Policy	\$100.00
Dwelling Fire Policy	\$ 50.00

CLAIMS

- A. Claims should be reported promptly by phone, fax, or in writing to the Claims Department using an ACORD LOSS NOTICE. Provide all pertinent information including the date, approximate amount of loss, the origin of the loss, and where the insured can be contacted. *You can also use our website to submit a claim.*
- B. All loss assignments will be made by the FAIR Plan. Adjusters are not authorized to accept loss assignments for FAIR Plan losses from any other source.
- C. The FAIR Plan is not open on weekends nor does it have 24-hour phone service. Instruct your Insureds to contact you immediately in an emergency situation or in the event of a serious loss. All such calls should then be reported to the FAIR Plan's claim department on the next working day.

You may hear a special message when calling the FAIR Plan on long holiday weekends. This message will tell you who to contact in emergencies.

POLICY CHANGES

Use FORM #20 for policy changes. All requests will be effective only after review and approval by the Plan. NO PRODUCER HAS THE AUTHORITY TO BIND THE FAIR PLAN TO ANY CHANGES. *You can request endorsement changes that do not require the insured's signature on our website www.ctfairplan.com.*

A. Increase(s) in Amount of Insurance

A request for an increase in the amount of the insurance must be explained under the "Remarks" section of Form #20 and provide sufficient documentation for the increase.

Additional premium quotations are mailed to the producer and insured.

B. Decrease(s) in Amount of Insurance

A request for a decrease in the amount of insurance will be effective the date the request is received in the Plan AND REQUIRES THE INSURED'S SIGNATURE.

C. Assignment of Interest (Change of Ownership)

We do not endorse a new owner (named insured) onto an existing policy. The new owner must complete and sign an Application for Basic Property and Liability Insurance (ACORD 66 CT). We will release a new quotation and issue a policy when we receive the full annual premium. *Amounts of insurance will be written at current building values.*

D. Other Changes

Removal permit (moving contents to a new location), change of insured or producer address, adding new perils, change of mortgagee or premium finance company, etc.

E. Change in Producers

At Renewal: No Producer of Record letter is required.

Mid-Term: We do not endorse a new producer onto an existing policy. The original policy has to be returned for cancellation. The new producer has to submit a new application with a Producer of Record letter, a quotation will be provided and coverage will become effective when we receive the total annual premium.

This procedure should not create a lapse in coverage for the insured.

NOTE: Policies are mailed to all parties.

Renewal quotations are mailed to the insured and the producer – we do not mail a copy to the mortgagee.

New business quotations are only mailed to the producer.

CONDOMINIUMS

We do not have a “wrap around” condo policy for habitational risks, i.e. one family condo. We add an “improvements and betterments” endorsement to a dwelling policy. This **does not** make our DP 00 01 a Condo policy.

A condominium association can only be insured using our basic, named perils, standard commercial fire policy.

As with any FAIR Plan submission, you should check the excess and surplus brokers for more appropriate coverage.
